

Health & Safety Policy Statement

HS 001 – Rev 1.4

General Statement

It is the policy of Vision Architectural Glazing Installation Limited (Vision Arch) to ensure, so far as is reasonably practicable, the health, safety and welfare of its employees and the health and safety of other persons who may be affected by its activities. The organisation will take steps to ensure that its statutory duties are met at all times. In compliance with the *Health and Safety at Work Act* and all other applicable legislation.

The Organisation's Responsibilities

The organisation will ensure that:

- all processes and systems of work are designed to take account of health and safety and are properly supervised at all times
- a member of senior management maintains specific responsibility for health and safety
- competent people are appointed to assist us in meeting our statutory duties including, where appropriate, specialists from outside of the organisation
- all employees are consulted on matters relating to health, safety and welfare
- adequate facilities and arrangements will be maintained to enable employees to raise issues of health and safety
- each employee will be given such information, instruction and training as is necessary to enable the safe performance of work activities
- all arrangements are brought to employees' attention and are monitored and reviewed to ensure that they are effective.
- they maintain a management system designed to meet the requirements of ISO 45001 (or any other standard in line with Annex SL Structure) in pursuit of its primary objectives, the purpose and the context of the organization.

Employees' Responsibilities

Employees must ensure that they:

- co-operate with management to enable all statutory duties to be complied with
- take reasonable care of their own health and safety and the health and safety of others who may be affected by their acts or omissions
- familiarise themselves with the health and safety arrangements that apply to them and their work functions.

Full details of the organisation and arrangements for health and safety will be set out in the Health and Safety Policy.
